# FLUE / CHIMNEY BRUSHES

**Flue & Chimney Brushes** have been designed to efficiently clean chimneys & flues of all sizes, shapes and contours, they are available in a wide range sizes to suit 75mm thru to 500mm diameter flues and are made using hard wearing, long lasting polypropylene bristles that are strong enough to give you a great result.

Available:

- Pull thru Flue brushes that have eyelets attached either end of the Brush
- Flue Brush Head with threaded end which attaches to wire extension rods.
- Twisted galvanised wire extension rods of 1000mm long simply screw together end on end to suit your required length
- Kits available in 75mm, 100mm, 125mm, 150mm, 175mm and 200mm Brush Diameters, larger sizes available upon request
- Kit Length Guide:

- Single Storey – 4mtrs
- Split Level – 5mtrs
- Double Storey – 6mtrs
- Simply add extension rods for larger sizes
